Claim Amendments

Claim 1 has been amended to conform with the language in the specification at Page 2, Lines 13 and 14. Applicants urge that the amendments put the claims in condition for allowance and respectfully request that the amendment be entered.

Rejections Under 35 USC Section 112

Claim 1 has been amended to conform with the language in the specification at Page 2, Lines 13 and 14. Applicants urge that the amendment does not constitute new matter, and that the claims as amended comply with 35 USC Section 112.

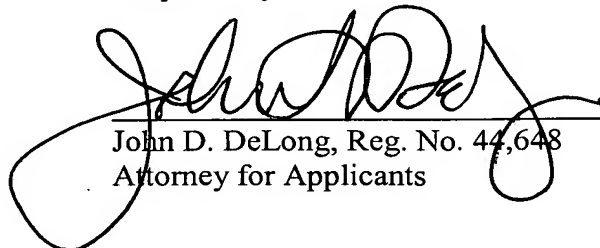

Rejections Under 35 USC Section 102

The claims are rejected under 35 USC Section 102(b) as being anticipated by EP '121. Applicants repeat the arguments stated in the Response and Amendment mailed March 9, 2005. Applicants urge that the amended claims are now fully patentable in view of the cited art.

Conclusion

For all the foregoing reasons, Applicants urge that the claims are now fully patentable over the cited art and respectfully request allowance of the claims.

Respectfully submitted,

John D. DeLong, Reg. No. 44,648
